Suggestions

Feedback helps to grow, develop and reinforce positive actions based on valid and useful information for making the institute best even better. The suggestions part of the feedback is very important and it also reflects the healthy communication flow . Here are few suggestions given by students :

1. Academic activities:

- Some new programs should be introduced in U.G. & P.G. level
- More focus should be on ICT teaching .
- ICT facility must increased and improved.

2. Co-curricular Activities:

- Skill based programs and activities should be arranged frequently.
- There must be some training programs or internship during course time .
- There should be more Scholarships schemes for students.

3. Infrastructure in the college:

- Computer services are good in college but improvement is needed.
- Better e-learning and WI-FI facility for student should be available .
- Parking should be free of cost for students.
- Water and washroom facility needed on 3rd floor.
- Over all drinking water and toilet facilities should be increased and hygienic.
- Some more smart classrooms are needed.
- A Play ground is needed in the college Campus.

5. Library:

- More text books and general books should be available in library.
- Duration period of issuing library books should be increased.

6. General atmosphere:

- Some more variety of food items should be include in canteen menu.
